DAVE ST. PETER

PRESIDENT

Dave St. Peter was named the fourth president in Minnesota Twins history on November 26, 2002. He oversees the team's day-to-day operations, strategic planning and interaction with Major League Baseball.

St. Peter played a central role in the approval, design, construction and opening of Target Field, which was named 2011 Sports Facility of the Year by the Sports Business Journal/Sports Business Daily. He also recently oversaw the Twins effort to secure the 2014 Major League Baseball All-Star Game; the approval and implementation of the \$48.5 Million expansion and renovation of the CenturyLink Sports Complex in Fort Myers, FL; as well as the team's partnership with Hennepin County on the design and programming of

Minnesota's newest intermodal transit hub - Target Field Station.

At age 48, St. Peter begins his 26th year with the Twins. He joined the organization as an intern in 1990 and over his first decade with the franchise held a variety of positions including Pro Shop Manager, Communications Manager, Vice President of Corporate Communications and Senior Vice President of Business Affairs. As the club president, the Twins established a new single season franchise attendance record in 2010 by attracting more than 3.2 million fans to Target Field while the team was recognized by ESPN as having the best stadium experience in all of professional sports. St. Peter's leadership has been integral in the team's growing corporate partnership base; development of the "Magic Moments" customer service initiative; the "Go Twins, Go Green" environmental stewardship platform; the expanded Twins Radio Network; aggressive community outreach; and enhanced alumni involvement -- including creation of the Twins Hall of Fame.

St. Peter has been part of a leadership team helping the franchise win six American League Central Division championships (2002-04, 06 and 09-10). During St. Peter's leadership tenure, the Twins have twice been named "Organization of the Year" by Baseball America (2002 and 04). In 2006, the entire Twins organization was recognized as the Minneapolis Star Tribune's "Sports Person of the Year." The franchise received the Atlanta Sports Council's Horizon Award (2002) as the Professional Sports Organization of the Year while the Twins Community Fund was a 2000 recipient of the Greater Minneapolis Chamber of Commerce's Quality of Life Award and a 2006 recipient of a Project Evergreen Award. The State of Minnesota named the Twins organization a Yellow Ribbon Company in 2014. Four of the past five years (2010, 2012-2014) the Twins have been honored by the Star Tribune as one of the "Top 100" workplaces in Minnesota. In 2011, the Twins were the recipient of the Minneapolis Park and Recreation Board's "Living the Dream" Award. St. Peter has also been named to the Street and Smith's Sports Business Journal and Minneapolis-St. Paul Business Journal's "Forty under 40" lists.

In the community, St. Peter serves on the boards of the Minnesota Twins Community Fund, Ronald McDonald House Charities of the Upper Midwest, the YMCA of the Twin Cities and the Minnesota Chapter of Positive Coaching Alliance.

St. Peter was born in Bismarck, ND, and graduated from the University of North Dakota in 1989. Dave, son Jack and twin sons Eric and Ben, make their home in Chanhassen, MN.

TERRY RYAN

EXECUTIVE VICE PRESIDENT, GENERAL MANAGER

Terry Ryan was named Executive Vice President/General Manager on November 7, 2011, after spending the previous four seasons as a Special Assistant to General Manager Bill Smith (2008-11). He was originally named as the fourth General Manager in Minnesota Twins history on September 13, 1994, holding that position until stepping down following the 2007 season. Ryan is responsible for the team the Twins put on the field and oversees the coaching staff and entire baseball department, including team travel and baseball communications.

Ryan began his professional career with the Twins in 1972 after being drafted in the 35th round out of Parker High School in Janesville, WI. He pitched in the Twins minor league system for four seasons, posting a 14-3 record, including 10-0 in 1973, before an

arm injury cut his career short. In 1975, he enrolled at the University of Wisconsin-Madison and graduated with a degree in Physical Education in 1979.

Ryan returned to baseball in 1980 as Midwest Scouting Supervisor for the New York Mets, a position he held for six years before being named Scouting Director for the Twins in January 1986. He was recognized by Topps in 1998 with the Advancement Through the Game Award. Prior to his first tenure as General Manager, Ryan served as the Vice President of Player Personnel, a position he assumed at the end of the 1991 season. In that role, Ryan was responsible for scouting and evaluating all talent at the major league level and assisting in personnel decisions. Ryan was also responsible for signing all major league players with less than three years of major league service.

In addition to his duties with the Twins, Ryan was appointed to the Commissioner's Special Committee for On-Field Matters in December of 2009, as well as being a member of the Major League Baseball Playing Rules Committee since 2005. He has also served on the Arizona Fall League (AFL) Steering Committee since 2005, a position he also held in 1997-98. In 2009, Ryan was the recipient of the AFL's Roland Hemond Award, which is presented annually to a baseball executive in recognition of at least 15 years of outstanding service to the AFL and professional baseball in a key leadership capacity. In 2013, he was awarded the George Genovese Lifetime Achievement Award in Scouting from the Professional Baseball Scouts Foundation, as well as the Roland Hemond Award, voted upon by SABR, recognizing a baseball executive that demonstrates a lifetime commitment to professional baseball scouts and scouting, and player development history.

Through the efforts of Ryan and his staff, the Twins have won the American League Central Division title in four of his last nine years as the general manager (2002-04 and 06). He has twice been named Sporting News Executive of the Year (2002 and 06), and was also named *Baseball America's* Major League Executive of the Year in 2004. The Negro Leagues Baseball Museum honored Ryan with the Andrew "Rube" Foster Legacy Award as American League Executive of the Year in 2004, and again in 2006. In 2002, the Twins were named Organization of the Year by *Baseball America* (also in 2004), USA Today and Sportsticker.

Terry and his wife Karilyn have two children, Tim (daughter-in-law Tara) and Kathleen, and reside in Eagan, MN.

Radcliff leads the club's overall player evaluation process at both the major and minor league levels, assists Terry Ryan and Rob Antony in negotiating player contracts and oversees the club's professional and amateur scouting staff, including the scouting of international players.

Radcliff, who was named the Director of Scouting in 1993, was the longest tenured scouting director in Major League Baseball. As Scouting Director, Radcliff managed 27 full-time and 34 part-time scouts and coordinated the annual amateur draft as well as

the international scouting staff.

Radcliff is a 1979 graduate of the University of Missouri and began his scouting career as an area scout with the Major League Scouting Bureau in 1983. He was hired as an area scout by the Twins in 1987 and promoted to Midwest Supervisor in 1988.

He was promoted to Vice President in mid-December, 2013. He is responsible for major league contracts, including arbitration and evaluating major and minor league players.

Prior to his current position, he was Director of Baseball Operations for 12 seasons and was responsible for various duties in the minor league and scouting departments, including the spring training operation and free agent draft preparations. He was also responsible for establishing and overseeing the budget for the minor league, major league and scouting departments. He worked closely with the scouting department and scouted players eligible for the free agent draft, as well as amateurs in Australia and Latin America.

Antony was hired as Assistant Director of Media Relations in 1988 after graduating from the University of Minnesota. In June, 1991, he was promoted to Director of Media Relations and held that post until December, 1995, when he was promoted to Director of Baseball Operations.

Rob and his wife, Lynn, have two children, Tyler and Emily, and reside in Plymouth, MN.

WAYNE KRIVSKY

SPECIAL ASSISTANT TO THE GENERAL MANAGER

Wayne Krivsky begins his 15th overall season in the Twins organization. He returned to the Twins prior to the 2012 season after spending two years as a Special Assistant to the General Manager for the New York Mets, a role which he also held from June-October, 2008. He was originally a member of the Twins front office for 11 years, including four years as Special Assistant to General Manager Terry Ryan (1995-98), and seven years as the Assistant General Manager (1999-2005).

Krivsky has 38 years of experience working with Major League clubs. He was the General Manager of the Cincinnati Reds from February 2006 through April 2008. In 2009, he was a Special Assistant to the President of Baseball Operations in Baltimore, which included major and minor league scouting, along with negotiating player contracts.

Krivsky began his baseball career in the Texas Rangers ticket office in 1977 before joining the baseball operations department as Assistant Director of Player Development and Scouting in 1979. DID YOU *Know?*

...the longest home run ever hit by a Twin was estimated at 520 feet. Harmon Killebrew crushed the three-run blast off California righty Lew Burdette, which landed in the sixth row of the upper deck at Metropolitan Stadium on June 3, 1967. The ball cracked the seat, and was later painted orange to commemorate the event.

The seat is now located in the Mall of America — the former site of "Met" Stadium — bolted to a wall in the amusement park, marking the height and position where the ball would have landed in the upper deck.

EARNED RUNS RULE

The determination of earned-runs is as follows:

An earned-run is a run for which the pitcher is held accountable. In determining earned-runs, the inning should be reconstructed without the errors and passed balls, and the benefit of the doubt should always be given to the pitcher in determining which bases would have been reached with errorless play.

Until 1969, a reliever could not be charged with an earned-run if he entered the game after the side could have been retired but for an error, no matter how many runs he subsequently gave up in that inning. Now, runs scored by batters who reach base off the reliever are charged as earned on that pitcher's record. They are not, however, charged as earned against the team as a whole. Therefore, a discrepancy may occur between the total earned-runs charged against a team and the sum total of the earned-runs charged against the individual pitchers of that team.

SAVES RULE

Credit a pitcher with a save when he meets all three of the following conditions:

- (1) He is the finishing pitcher in a game won by his club; and
- (2) He is not the winning pitcher; and
- (3) He qualifies under one of the following conditions:
 - (a) He enters the game with a lead of no more than three runs and pitches for at least one inning; or
 - (b) He enters the game with the potential tying run either on base, at bat or on deck; or
 - (c) He pitches effectively for at least three innings.

No more than one save may be credited in each game.

It is considered a 'blown save' when a pitcher who has entered a game in a save situation departs with the save situation no longer in effect because he has given up the lead. If the save situation still exists when he leaves the game, he is not charged with a save opportunity. And, if he has not given up the lead when he leaves the game, even though the save situation may no longer exist, he is not charged with a save opportunity.

ROBERTO CLEMENTE AWARD

Since 1971, Major League Baseball has annually presented an award that recognizes a player who best exemplifies the game of baseball through sportsmanship, community involvement and positive contributions to his team.

In 1973, following the tragic death of Roberto Clemente, the award was named to honor the man whose spirit and goodwill will always be remembered. The 12-time All-Star and Hall of Famer was killed in a plane crash in 1972 delivering food and medical supplies to earthquake victims in Nicaragua. The award recognizes those individuals who truly understand the value of helping others.

A panel of baseball dignitaries, including Vera Clemente and the Commissioner, annually selects the winner from a list of 30 candidates, one from each Major League Baseball Club. The winner of the national Roberto Clemente Award is announced during a pre-game ceremony at the World Series. Past winners include Jamie Moyer, Jim Thome, Rod Carew (Twins - 1977), Dave Winfield (Twins - 1994), Kirby Puckett (Twins - 1996), Curt Schilling, Al Leiter, Tony Gwynn, Willie Mays, Ozzie Smith, Derek Jeter, Albert Pujols, John Smoltz, and Cal Ripken, Jr.

The 2014 Minnesota Twins Roberto Clemente Award nominee was Trevor Plouffe (first career nomination). Last season's Co-Winners were Philadelphia's Jimmy Rollins and Chicago White Sox's Paul Konerko.

PLAYER LIMITS

Major League rosters are limited to 25 active players from Opening Day through August 31, with the exception of any split or regular doubleheaders that aren't contained in the original schedule or created to reschedule games, in which case, teams can temporarily add a 26th player. Teams may expand their active rosters to as many as 40 players on September 1. During the course of the season, a team may place as many players as it wants on the 15-day disabled list, during which they must remain inactive for a minimum of 15 days (no maximum). Teams may also place as many players as they need to on the 60-day emergency disabled list, where they must remain for a minimum of 60 days, but only when the club is at the maximum of 40 players. Players carried on this list are not counted in 40-man roster limit. If placed or transferred there after 60 days prior to the final game of the season, the player must remain there through the postseason.

DID YOU *Know?*

...that on September 22, 1968 vs. Oakland at Metropolitan Stadium, Cesar Tovar became the second major leaguer ever to play all nine positions in one game. He is also the only position player to be the starting pitcher in Twins history, as he tossed a scoreless first inning, including a strikeout of Reggie Jackson. He went on to catch, play first base, shortstop, third base, left field, center field and right field for an inning apiece.

DID YOU Know?

...that the Twins best homestand ever took place during the 1991 season. The team went 10-0 from June 3-13 against Baltimore (3-0), Cleveland (4-0) and New York (3-0). The franchise's best road trip resulted in 7 wins in 8 tries, accomplished twice. The first was a New York, Milwaukee and Boston trip, April 28 to May 7, 1972 and the second coming 30 years later on a Cleveland, Detroit and Chicago trip from July 17-July 24, 2002. The Twins have had two trips over the years on which they've won 10 games, however. They were 10-7 between July 23 and August 8, 1963 and 10-6 from August 14-27, 1967.

...that on 22 occasions, Twins catchers and pitchers have combined to nab three would-be base stealers in a game, but only once, on May 29, 1982, have they ever nailed four runners in one game. Ken Griffey, Graig Nettles, Bobby Murcer and Willie Randolph were caught by Twins catcher Sal Butera that day; Nettles and Murcer as part of a Twins triple play.

DID YOU Know?

...that Roy Smalley, Chili Davis and Ryan Doumit are the only three Twins ever to hit home runs from both sides of the plate in the same game. Smalley connected left-handed in the third inning off Boston's Rob Woodward and right-handed in the seventh off Joe Sambito May 30, 1986 in the Metrodome. FRANCHISE RECORDS

1901-2014

The history of the Minnesota Twins franchise dates back to the year 1901 when, as the Washington Senators, they were born as one of the eight original franchises in the American League. For sixty years, the Senators played baseball in our nation's capital, winning one World Championship and three American League pennants, while adding Hall of Fame players like Walter Johnson, Sam Rice and Goose Goslin to the rich history of America's game.

In 1961, owner Calvin Griffith moved the Senators from Washington, DC to Minnesota where a new chapter has been written, one more impressive than the first. In the 54 years

since, the Minnesota Twins have won two World Championships, three American League pennants and made 11 playoff appearances. It is here that players like Killebrew, Kaat, Carew, Blyleven, Hrbek and Puckett have been able to weave their own names into history, not only for the franchise, but for the game.

The records and All-Time Top Ten Lists below recognize this history by including the statistics of the Washington Senators of 1901-60, as their history is our history, and any franchise history without them would be incomplete.

DID YOU Know?

...that in 1976, Twins pitcher Bill Campbell went 17-5 with a 3.00 ERA and 20 saves in 78 relief appearances. He became the second player in major league history to win and save at least 15 games in a season since saves became an official statistic in 1969 (Dodger's Mike Marshall won 15 and saved 21 in 1974). Campbell's 17 victories tied the American League record for wins in relief. In 1977, Twins reliever Tom Johnson became the third player in major league history to win and save at least 15 games. He finished the season 16-7 with a 3.12 ERA and 15 saves in 71 relief appearances.

DOMINICAN REPUBLIC BASEBALL ACADEMY

The Twins Dominican Republic will spend its first season of operations at the Las Americas Complex in Boca Chica, DR in 2015. This complex will serve as the Twins interim facility while their new joint academy with the Philadelphia Phillies is built. The Las Americas facility has the capacity to house two teams but will only be home to the Twins in 2015.

The club provides housing and meals for amateur players working out in the Academy program, as well as for its professional players on the Dominican Summer League team. A lower level of the two-story building includes a locker room, weight training room, office and meeting space, laundry, kitchen, a large dining room, recreation room and a dedicated classroom. The second floor features a large dormitory which can accommodate up to 56 players, two large staff rooms and a large game room. Programs are provided year-round to teach English and cultural development to all signed players.

Boca Chica is located 30 minutes east of downtown Santo Domingo and the Twins complex is just 15 minutes from the international airport.

The playing facilities include two full-sized playing fields, an additional field for tryouts, two covered batting tunnels and a six-mound training area for pitchers. The Twins Dominican facility is in full operation from February through early December.

VENEZUELA BASEBALL ACADEMY

The Twins Venezuela Baseball Academy begins its 21st year in Bejuma, Carabobo, Venezuela. The Twins facilities are among the best in Venezuela, including a 3,000 square foot dormitory and clubhouse building which opened in February 2000. The facilities include two large sleeping rooms, locker room, training and exercise areas, and office space.

The club provides housing and meals to its professional players in a mini-camp prior to spring training and during a Fall Instructional League in October. Amateur players are invited to attend workouts in 30-day programs throughout the season.

KENNYS VARGAS AND JOSE BERRIOS NAMED 2014 TWINS MINOR LEAGUE PLAYER AND PITCHER OF THE YEAR

First baseman Kennys Vargas was named the 2014 Sherry Robertson Award winner as the Twins minor league Player of the Year and right-handed pitcher Jose Berrios was named the 2014 Jim Rantz Award winner as the Twins minor league Pitcher of the Year.

Vargas began the 2014 season at Double-A New Britain and batted .281 (100-for-356) with 17 doubles, 17 home runs, 63 RBI, 50 runs scored and 43 walks in 97 games with the Rock Cats. He was promoted to the major league club August 1 and hit .288 (57-for-198) with nine doubles, one triple, nine home runs, 38 RBI and 24 runs scored in 47 games with the Twins.

The 6-foot-5, 270-pounder was the Twins minor league Player of the Week in early May, batting .476 (10-for-21) with two doubles, three home runs and seven RBI in seven games with New Britain. Vargas was selected to play in the SiriusXM Futures Game at Target Field over the All-Star break and was also named an Eastern League midseason All-Star.

Berrios began the 2014 season at Single-A Ft. Myers and went 9-3, 1.96 ERA (96.1 IP, 21 ER) allowing 78 hits with 23 walks and 109 strikeouts in 16 starts. He was promoted to Double-A New Britain July 7 and went 3-4, 3.54 ERA (40.2 IP, 16 ER), allowing 33 hits with 12 walks and 28 strikeouts in eight starts. Berrios was placed on the disabled list August 2 with a right shoulder strain and reinstated August 10. He made one start with Triple-A Rochester in late August.

The 6-foot, 187-pounder was a two-time Florida State League Pitcher of the Week in 2014, earning the honors for the weeks ending June 2 and June 23. Additionally, he was named to the Florida State League midseason and postseason All-Star teams. He was second among all Twins minor leaguers in wins (12) and strikeouts (111). Berrios was the starting pitcher for the World Team in the SiriusXM Futures Game at Target Field on July 13, tossing a perfect 1.0 inning with one strikeout.

The Sherry Robertson Award, named in honor of the Twins first farm director, was established in 1970 to recognize the Twins top minor league performer each season. Beginning in 2002, the award began recognizing the Twins minor league Player of the Year while an additional award was created to recognize the Twins Minor League Pitcher of the Year. This award was named in honor of former Twins minor league director and Twins Hall of Famer, Jim Rantz.

TARGET FIELD

TARGET FIELD®

The Minnesota Twins moved into their new home, Target Field, prior to the beginning of the 2010 season. The ballpark is a modern architectural expression, a dichotomy of Minnesotans' cosmopolitan lifestyle so rooted in nature and the outdoors. The stone and glass landmark, topped by a metal-clad, sculpted roof canopy, is chiseled into downtown Minneapolis on one of Major League Baseball's smallest sites. The ballpark's urban appeal is enhanced with immediate access to light rail and commuter rail, bridging the site to its urban surroundings and spurring development in the western corner of downtown.

Target Field proved to be one of the premier sporting and entertainment venues in the Upper Midwest, and one of the most unique, spectacular parks in all of Major League Baseball. Here is a list of features that helped to make it unlike any other baseball experience in America.

MATERIALS

Native Minnesota limestone forms the mass of the ballpark's exterior façade. Glass and metal details punctuate the limestone surface, creating a sophisticated composition. In addition, whenever possible, the ballpark and surrounding areas incorporated Minnesota-native flowers, trees and shrubs.

SEATING

Target Field features one of the closest seating bowls to the playing field in all of Major League Baseball. Seats in Target Field feature more leg room and are articulated towards the field of play. Target Field features more aisles with fewer seats per row.

CONCOURSE

The ballpark features a 360-degree open main concourse giving fans an uninterrupted view of the playing field.

CLIMATE/SHELTER

The Twins are committed to providing a comfortable experience for the fans—even when our weather is less than perfect. Fans are able to take advantage of heated concessions, restrooms, and restaurant and lounge areas found on each ballpark level including the Terrace level. Target Field's roof canopy—one of the largest in baseball—provides added protection.

CELEBRATING MINNESOTA'S RICH BASEBALL HERITAGE

Minnesota's new ballpark celebrates the heritage and history of the game across the Upper Midwest. The ballpark includes tributes to the great Twins teams and players from the past, as well as other Minnesota baseball icons.

CAPTURING AND REUSING RAINWATER

Through a custom-designed Rain Water Recycle System provided by Minneapolis-based Pentair, the Minnesota Twins have captured, purified and reused more than 4,301,748 total gallons of rainwater, drastically reducing the use of municipal water at Target Field. The majority of the recycled rainwater was used to wash down the seating bowl attached to the main concourse.

RECYCLING AND CONVERTING WASTE TO ENERGY

Through aggressive recycling and waste-to-energy programs, the Twins have kept more than 5,418 tons of waste out of local landfills from 2011 to 2014.

- 2,092 tons of trash have been sent to the Hennepin Energy Recovery Center
- 2,314 tons of waste have been recycled from Target Field
- 1,013 tons of organic materials have been composted and diverted from landfills

In 2015, the Twins will seek help from fans in increasing the amount of recycled organic materials, further reducing the amount of waste produced at Target Field.

DONATING UNUSED FOOD TO LOCAL CHARITIES

The Minnesota Twins and concession partner Delaware North Companies Sportservice donated more than ten tons of food to local charities each season. Through a partnership with Rock and Wrap It Up! Inc., representatives from Joseph's Storehouse in Brooklyn Park boxed up all prepared but untouched meals at Target Field, donating the unused food from Target Field to local charities. Throughout the partnership, the Twins have donated:

- 142,836 hot dogs and brats
- 21,186 hamburgers
- 9,867 chicken breasts

To date, these efforts have kept more than **25 TONS** of waste out of local landfills.

TWINS RETIRED NUMBERS

HARMON KILLEBREW

3

One of the greatest home run hitters of all time, Harmon Killebrew will forever be remembered by Twins fans as the 'Killer' for his prolific clouts. A member of the Twins from their inaugural Minnesota season in 1961, Killebrew hit 573 career home runs, 475 of them in his 14 seasons with the Twins, and ranks 11th on the all-time home run list and third (behind Babe Ruth and Alex Rodriguez) in American League history. He hit over 40 home runs on eight occasions, and 30-plus 10 times, while driving in 100-plus runs nine times.

Killebrew was the American League's Most Valuable Player in 1969 when he hit 49 home runs with an amazing 140 RBI and 145 walks, all team records that still stand. He was elected to the Baseball Hall of Fame in 1984, the first Twin to receive that honor. He had his number 3 formally retired May 4, 1975, was selected to the Twins 25th Anniversary Team in 1986 and 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000 and named one of the "50 Greatest Twins" in 2010.

Killebrew passed away on May 17, 2011.

ROD CAREW

29

No Twins fan will ever forget the graceful power of Rod Carew's hitting stroke. Nor will any baseball enthusiast ever forget the summer of 1977, when Carew made his determined run at the untouchable .400 mark, because, just as Killebrew embodied the power of the game, Carew represented its finesse.

He was a career .328 hitter over his 19 major league seasons and was the winner of seven American League batting titles, all during his 12 years with Minnesota. Carew hit .300 or better 15 consecutive seasons and finished his career with 3,053 hits, which places him 23rd among the all-time hit leaders and makes him one of only 28 players to collect 3,000 or more career hits.

Carew, who won the American League Most Valuable Player award in 1977, was elected to the Baseball Hall of Fame on the first ballot in 1991. He had his number 29 retired July 19, 1987, was selected to the Twins 25th Anniversary Team in 1986 and the 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000 and was named one of the "50 Greatest Twins" in 2010.

TONY OLIVA

6

Pedro 'Tony' Oliva Jr., or 'Tony-O' to those who followed his 24-year career as a Twins player and coach, was a man who seemed to excel in all aspects of the game. He could hit for power and average, run, field and throw, and his versatility made him one of the most feared hitters of his day.

Tony-O collected 1,917 hits and retired with a .304 career average. He is the only player to win batting titles in his first two seasons and was the winner of three in his 15-year career, which still stands as the club's longevity mark. His prowess as a hitter was demonstrated in the fact that he led the league in hits five times and his 220 career home runs rank fourth all-time among Twins. If not for knee problems which cut his career short, Oliva would have been a certain choice for the National Baseball Hall of Fame.

Oliva, the 1964 American League Rookie of the Year, began his coaching career in 1976. He now works as a hitting instructor in the Twins minor league system and scouts for the club. He had his number 6 retired July 14, 1991, was selected to the Twins 25th Anniversary Team in 1986 and the 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000 and was named one of the "50 Greatest Twins" in 2010.

KENT HRBEK

14

Kent Hrbek grew up in the shadows of Metropolitan Stadium in Bloomington and was destined to become a Minnesota Twin. The big kid had more fun than most and treated Twins fans to much excitement from the day he donned a Twins uniform, homering in his major league debut in the 12th inning at Yankee Stadium to give the Twins a win on August 24, 1981. He finished his career with 293 home runs, 1,086 RBI and 838 walks, all good for second most in club history.

Hrbek, who was runner-up to Cal Ripken Jr. for American League Rookie of the Year in 1982, made his only All-Star appearance that season. He was most appreciated by his teammates and Twins fans for his upper-deck power and agility, and for being one of the best ever to play first base. He is among club leaders in nearly every offensive category, but may be best remembered for his Game 6 grand slam in the 1987 World Series, or for his tag of Atlanta's Ron Gant in Game 2 of the 1991

World Series. He had his number 14 formally retired August 13, 1995 and was selected to the Twins 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000, was selected to the All-Metrodome team in 2009 and named one of the "50 Greatest Twins" in 2010.

TWINS RETIRED NUMBERS

34

KIRBYPUCKETT

Considered by most to be the greatest Twin, 'Puck' was baseball's jewel for 12 incredible seasons. He was a hero from day one, when he became the ninth player in history to collect four hits in his first game May 8, 1984 at California. The dramatic entrance proved to be just the first of many heroic performances leading up to his shining moment on October 26, 1991, during Game 6 of the World Series versus Atlanta. He went 3-for-4, robbed Ron Gant of an extra-base hit and became the ninth player to end a World Series game with a home run on the final pitch, off Charlie Leibrandt, in the 11th inning to force a seventh game.

The 10-time All-Star, 6-time Gold Glove Award winner and 5-time Silver Slugger Award winner had his career cut short when he awoke with blurred vision caused by glaucoma on the morning of March 28, 1996. He was later forced to announce his retirement due to irreversible damage to the retina in his right eye on July 12. He retired as the Twins all-time leader in hits (2,304), doubles (414), total bases (3,453), at-bats (7,244) and runs (1,071).

Puckett was one of the game's greatest community leaders and was given Major League Baseball's Roberto Clemente Man of the Year Award in 1996. He was elected to the Baseball Hall of Fame on the first ballot in 2001 and became the third-youngest living electee in baseball history (behind Sandy Koufax and Lou Gehrig). He had his number 34 formally retired May 25, 1997 and was selected to the Twins 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000, was selected to the All-Metrodome Team in 2009 and named one of the "50 Greatest Twins" in 2010. Puckett passed away on March 6, 2006.

28

BERTBLYLEVEN

After breaking into the big leagues at the age of 19, Blyleven would go on to pitch 11 of his 22 major league seasons with the Twins (1970-76 and 1985-88). His knee-buckling curve ball, competitive drive and his knack for being the clubhouse "prankster" are only a few reasons why Blyleven had a successful career.

Blyleven was named the 1970 American League Rookie Pitcher of the Year and was selected to the American League All-Star Team in 1973 and 1985. He finished his Twins career with a record of 149-138 and a 3.28 ERA. His 2,035 strikeouts are the most in Twins history, while his 149 wins rank second.

The winner of two World Series Championships (1979 with Pittsburgh and 1987 with Minnesota), Blyleven ranks fifth on the Major League Baseball's all-time strikeouts list with 3,701.

His number 28 was formally retired July 16, 2011, becoming the first Twins pitcher to have his number retired. Blyleven was selected to the Twins 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame in 2002, was selected to the All-Metrodome Team in 2009 and named one of the "50 Greatest Twins" in 2010. Blyleven was inducted into the National Baseball Hall of Fame in Cooperstown, NY on July 24, 2011, becoming the first Hall of Famer born in the Netherlands.

TOMKELLY

10

"TK" took over the managerial duties for the Twins on September 12, 1986. In his first full season (1987) as the skipper, he led the Twins to their first World Series Championship. He led the club to their second ever World Series victory in 1991, which marked the first time in major league history that a team went from last place one season to World Champions the next.

Kelly had a managerial record of 1140-1244, which places him first on the Twins All-Time list in wins and games managed. At the time of his retirement after the 2001 season, Kelly was the longest tenured manager/coach in all of major sports. His number 10 was formally retired September 8, 2012, becoming the first Twins manager to have his number retired. Kelly was selected manager on the Twins 40th Season Anniversary All-Time Team in 2000 and one of the "50 Greatest Twins" in 2010.

JACKIEROBINSON

42

Jackie Robinson broke baseball's color barrier when Branch Rickey brought him up to the Brooklyn Dodgers in 1947. He brought a dynamic style of play to the game and terrorized the base paths. Robinson also proved to be an excellent hitter and a superb defensive infielder. He was voted the National League MVP in 1949 when he hit a league-leading .342 and drove in 124 runs. He batted .311 in his 10-year career and set several fielding records for second basemen.

In conjunction with the 50th anniversary celebration of Robinson breaking baseball's color barrier, Commissioner Bud Selig announced on April 15, 1997 at Shea Stadium that Major League Baseball will retire his uniform number 42 in perpetuity. The Minnesota Twins officially retired his number on May 23, 1997.

MINNESOTA TWINS HALL OF FAME

The Minnesota Twins Hall of Fame, which honors players, coaches and off-field personnel who have contributed to the organization's growth and success since the Twin Cities broke into the major leagues in 1961, was created as part of the club's 40th Season Celebration in 2000.

The inaugural class of Twins Hall of Famers, inducted on August 12, 2000, included Harmon Killebrew, Rod Carew, Tony Oliva, Kent Hrbek, Kirby Puckett and Calvin Griffith. The 2001 class included Herb Carneal and Jim Kaat while Bert Blyleven and Tom Kelly were inducted in 2002. Bob Allison and Bob Casey were inductees for 2003, Earl Battey was honored in 2004, Carl Pohlad and Frank Viola in 2005, Zoilo Versalles in 2006, Gary Gaetti and Jim Rantz in 2007, Rick Aguilera in 2008, Brad Radke and George Brophy in 2009, Greg Gagne in 2010, Jim Perry in 2011, Camilo Pascual in 2012 and Eddie Guardado and Tom Mee in 2013. CARL R. POHLAD
OWNER, 1984-2009

With the franchise facing a possible move out of state, Pohlad purchased the Twins in 1984. He was motivated by a sense of community responsibility and a feeling that major league sports, particularly baseball, are important assets that contribute to the quality of life in the community.

The on-field success of the franchise was largely due to Pohlad's ability to build and manage an exceptional baseball organization with a strong emphasis on player development. MINNESOTA TWINS MEDIA POLICIES

CREDENTIALS

Credentials for accredited news media are available through <https://credentials.mlb.com> with the appropriate affiliate ID. All requests must be made 24 hours prior to game time. Daily credentials must be picked up at the press gate entrance off 7th Street near the box office on Target Plaza. The press gate will be staffed five hours prior to night games and three hours prior to day games. Daily and season credentials will be issued only to working members of the media and must be displayed at all times while in Target Field. A photo ID and signature are required to pick up credentials. The pressbox is located on the Club Level (2), while both clubhouses, interview room, press dining and field access are located on the Service Level (-2).

TWINSPRESSBOX.COM

All baseball information, including: media guide, game notes, daily clips, stat packs, minor league report, press releases, headshots and logos will be available at twinspressbox.com. This site also provides media with audio and video clips, along with information for the 29 other MLB clubs.

INTERVIEWS

Most interviews may be conducted on the field during batting practice where the manager, players and coaches are usually available, as long as the interview does not interrupt their pre-game routine. Members of the media must stay in foul territory between first and third base. In-depth interviews that require more time with a player should be pre-arranged through the Baseball Communications department. Reporters and broadcasters must leave the field, with photographers reporting to their assigned photo positions, no later than one-half hour before game time.

CLUBHOUSE ACCESS

The Twins clubhouse will be open to media with clubhouse credentials until one hour prior to each game and no longer than 10 minutes following each game. All live television broadcast shots must be conducted outside the clubhouse. Television photographers are allowed in the clubhouse prior to batting practice and after games, but not between batting practice and game time. Still photographers are not allowed in the clubhouse at any time. On occasion of a team meeting, the clubhouse will be closed until the conclusion of the meeting. The training room, dining room and weight room are off-limits to everyone except the manager, coaches, players and Twins officials. The dugout is off limits during the game for everyone except the manager, coaches, players, trainers and certain club officials, in accordance with American League rules.

FIELD ACCESS

Members of the media must access the field through the Umpire/Star Dressing Room Tunnel. The tunnel is located between the Baseball Communications office and the visiting clubhouse on the Service Level (-2).

HERB CARNEAL PRESSBOX

Space is available for accredited members of the media on assignment only. Guests are not allowed unless prior approval has been granted by the Baseball Communications department. Wireless internet is available. To reach the Baseball Communications office and visiting clubhouse, take the stairs or elevator down to the Service Level (-2) and turn left. To reach the media dining/interview room (Twins Room) and home clubhouse, turn right.

PRESS ROOM

The Twins Room, located on the Service Level (-2), is available for pre-game meals to media with appropriate credentials, for a \$11 charge, approximately two hours prior to, and up until, game time.

PHOTOGRAPHERS

Due to a lack of on-field photo spots, the first and third base photo pits are limited to local papers, wire services, Twins photographers and whomever is assigned for that particular game. Certain exceptions may be made depending on space availability. An alternative for photographers are the designated photo positions around the concourse. Photographers assigned to the on-field locations should remain in the photo pits at all times during the game. If necessary, photographers should leave between innings only. Photos are allowed during batting practice, but photographers must remain on the dirt in foul territory, between first and third base. No photographs are to be taken from the baseball press box.

PHOTO EDITING ROOM

Photographers can edit images before, during or after the game in the photo editing room located by the field entrance on the Service Level (-2).

AUTOGRAPHS

Credentialed media do NOT ask for autographs. Any media members asking for autographs will have their credentials revoked.

PARKING

There is no on-site parking available at Target Field, but municipal ramps and parking lots are available near the stadium. Because of proximity to the press box, ramp "A" is recommended for media to park in on a game-by-game basis.

HUBERT H. HUMPHREY METRODOME

- » Opened on April 3, 1982, the Hubert H. Humphrey Metrodome was home to the Twins for 28 years. It was the third domed facility in baseball and remained the only air-supported structure of its kind until its demolition in January of 2014.
- » The Metrodome is the only stadium in the world to play host to the World Series (1987 and 1991), Major League Baseball's All-Star Game (1985), the Super Bowl (XXVI, 1992) and the NCAA Final Four Basketball Tournament (1992 and 2001).
- » Construction began on December 20, 1979 and was built by the state of Minnesota at a cost of approximately \$68 million.
- » Field dimensions were 343' down the left field line, 385' to the left field power alley, 408' to dead center field, 367' to the right field power alley and 327' down the line in right. The fence in left field and center field was 7' high (plexi-glass was on the left field wall from 1985-94, which made the wall 13' high) and the one in right field was 23' high, including 16' of plastic tarp installed in 1983.
- » **April 14, 1983:** Roof deflated due to tear caused by heavy snow.
- » **May 4, 1984:** Oakland's Dave Kingman hit a ball into one of roof's drainage holes in a 4th inning at-bat. The ball never came down and Kingman was awarded a ground rule double.
- » **April 26, 1986:** Roof suffered slight tear due to high winds, causing a nine minute delay in the bottom of the seventh inning vs. California.
- » **August 29, 1992:** A power outage in the third inning caused a 23 minute delay vs. New York.
- » **August 5, 2001:** A power outage in the area of Minneapolis surrounding the Metrodome caused the air conditioning to shut down, heating the inside of the dome during the game to a high temperature of 91 degrees, as the Twins fell to the Royals, 10-5.
- » **October 2, 2004:** The Twins and Indians were forced to suspend their game after the 11th inning due to a curfew rule in effect for the University of Minnesota football game.
- » **October 2, 2005:** Upon the conclusion of his 50th year of broadcasting baseball, the Twins re-named the baseball pressbox "The Herb Carneal Press Box", in honor of their long-time radio broadcaster. Carneal died on April 1, 2007.
- » **August 2, 2007:** The Twins and Royals postponed their 12:10 pm game a day after Interstate 35W bridge collapse in Minneapolis.
- » **December 19, 2013:** The Vikings defeat the Lions 14-13 in the final sporting event played in the Metrodome.
- » **January 18, 2014:** As a portion of the demolition for the Minnesota Vikings' new stadium, the Metrodome roof is deflated.

In 1986, the Minnesota Twins celebrated 25 years of baseball in Minnesota. As part of that celebration, the Twins held a 25th Anniversary Reunion on July 31-August 3. The weekend began with a banquet in which the Silver Anniversary Team, voted by fans, was announced (see below). The weekend concluded with an Old Timers game, featuring the 1965 World Series Twins playing a team consisting of other former Twins, and a pre-game ceremony honoring the Silver Anniversary Team. Fans were treated to a Camera Night in which they were able to take pictures with their favorite former Twins and received a framable poster which was a collage of the team. 40TH SEASON ANNIVERSARY ALL-TIME TEAM

In 2000, the Minnesota Twins celebrated 40 years of baseball in Minnesota. As part of that celebration, the Twins announced the Twins All-Time Team as part of the ballclub's 40th Season Celebration.

Voting for the Twins All-Time Team was split into three phases, including: the fans, the Upper Midwest Media and the players (former/current Twins players and coaches). Each groups' vote counted one-third toward the final balloting results with the top vote recipients at each position automatically being named to the team. The All-Time Team selection committee reserved the right to name additional players to the final roster based upon overall vote totals.

The All-Time Team took part in an on-field pre-game ceremony on August 12, 2000 and a poster depicting the All-Time team was given to the first 10,000 fans in attendance, courtesy of the Star Tribune.

A total of 93 Twins players and managers were featured on the All-Time Team ballot which included categories for each of the following: manager, catcher, first base, second base, third base, shortstop, outfield, right-hand starting pitcher, left-hand starting pitcher, relief pitcher, designated hitter, pinch hitter and utility player.

TREASURE ISLAND BASEBALL NETWORK

2015 marks the ninth season that the Minnesota Twins control their radio broadcast rights. More than 90 stations in the five-state area carry Twins games and comprise the Treasure Island Baseball Network. In the Minneapolis-St. Paul market, the Twins can be heard on Go 96.3. The move to 96.3 in 2013 marked the first time in franchise history that Twins games were broadcast on the FM spectrum in the metro area.

The Twins employ an in-house production team that produces the game broadcasts including pre-game and post-game shows that air on network affiliates. In addition, the network team produces the off-season "Hot Stove Show" that airs Wednesday nights November through February hosted by pre- and post-game host, Kris Atteberry. During the season, fans across Twins Territory can listen to "The Paul Molitor Show" live on Sunday mornings at 9:30 Central Time. The manager's show is hosted by Kris Atteberry and former Twins great, Jack

Morris. Also a staple of Sunday morning baseball talk is "Inside Twins" which airs prior to Sunday pre-game shows featuring Twins General Manager Terry Ryan and other front office staff and is hosted by Twins play-by-play man Cory Provus. These two shows run all season and give fans a glimpse into the inner workings of Twins baseball.

In 2007 the Twins, in partnership with the Minnesota News Network, assumed control and development of the Twins Radio Network with Treasure Island Resort & Casino, becoming the first-ever naming rights partner for the network in 2010. Historically, the Treasure Island Baseball Network has been one of the largest in all of Major League Baseball with hometown radio partners bringing Twins baseball to fans across five states.

The Twins return to BOB FM (107.5 La Mera Buena and 95.9 La Neta) to broadcast 50 games in Spanish. Alfonso Fernandez begins his seventh season as play-by-play voice with Tony Oliva as the analyst.

John Gordon Award — Twins Radio Affiliate of the Year

Named after legendary Twins broadcaster, John Gordon, this honor is awarded annually to the Twins radio affiliate that demonstrates the best of Twins Territory in its commitment to the Minnesota Twins and its community.

DAN GLADDEN
PLAY-BY-PLAY/ANALYST

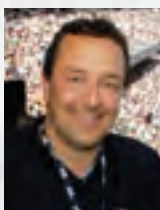

Former Twin Dan Gladden enters his 16th year in the Twins radio broadcast booth, his 12th as a full-time analyst. Gladden played in the major leagues for 11 years and retired from professional baseball following the 1994 season. He finished his career batting .270 with 203 doubles, 40 triples, 74 home runs, 446 RBI and 222 stolen bases in 1,197 games.

He made his big league debut in 1983 with the San Francisco Giants, with whom he played for three seasons, and was named to both Topps and *Baseball Digest* All-Rookie teams in 1984. He was acquired along with pitcher David Blakely by Minnesota in exchange for pitchers Jose Dominguez, Bryan Hickerson and Ray Velasquez on

March 31, 1987 and spent five years with the Twins before signing as a free agent with Detroit in 1992. He spent his last year in professional baseball playing for the Yomiuri Giants of the Japanese Central League in 1994. Dan and wife, Janice, make their home in Eden Prairie, MN. His daughter Ashley is married to Joe Gaetti, son of Twins Hall of Famer Gary Gaetti, and lives in San Diego. Daughter Whitney currently lives in Arizona.

He was the first to broadcast basketball in Spanish in the Los Angeles area and has spent 33 years behind the microphone.

Fernandez and his wife, Rosalia, daughter, Angela, and son, Jared, make their home in White Bear Lake, MN.

TONY OLIVA
SPANISH RADIO, ANALYST

Pedro 'Tony' Oliva Jr., or 'Tony-O' to those who followed his 24-year career as a Twins player and coach, was a man who seemed to excel in all aspects of the game. He could hit for power and average, run, field and throw, and his versatility made him one of the most feared hitters of his day.

Tony-O collected 1,917 hits and retired with a .304 career average. He is the only player to win batting titles in his first two seasons and was the winner of three in his 15-year career, which still stands as the club's longevity mark. His prowess as a hitter was demonstrated in the fact that he led the league in hits five times,

and his 220 career home runs rank third all-time among Twins. If not for knee problems which cut his career short, Oliva would have been a certain choice for the National Baseball Hall of Fame.

Oliva, the 1964 American League Rookie of the Year, began his coaching career in 1976. He also works as a hitting instructor in the Twins minor league system and scouts for the club. He had his number 6 retired July 14, 1991, was selected to the Twins 25th Anniversary Team in 1986 and the 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000, and was named one of the "50 Greatest Twins" in 2010. In 2013, he became the eighth ever recipient of the Herb Carneal "Lifetime Achievement" Award.

DID YOU *Know?*

...that Minnesota's Tony Oliva hit the first home run by a designated hitter in American League history. He went deep off Catfish Hunter, April 6, 1973 at Oakland.

He also pitched at the major league level with Texas, Pittsburgh, Cleveland and California. He still holds the Twins club record for total strikeouts (2,035), shutouts (29) and complete games (141). In 1973 he went 20-17 with a 2.52 ERA, tossing 25 complete games in 40 starts, including nine shutouts and 325.0 innings. He posted double-digit wins in 17 different seasons. As a member with the Texas Rangers in 1977, Bert tossed a no-hitter defeating the Angels at Anaheim Stadium.

On baseball's all-time list, Blyleven ranks fifth in strikeouts (3,701), 10th in games started (685), ninth in shutouts (60), third in complete game 1-0 wins (15), 14th in innings pitched (4,970.0), eighth in home runs allowed (430) and 26th in wins (287). He was voted AL Rookie Pitcher of the Year in 1970 and AL Comeback Player of the Year in 1989. Bert pitched in two All-Star games and was a member of two Championship World Series teams (Pirates in 1979 and Twins in 1987).

Bert and his wife, Gayle, reside in Fort Myers, FL during the off-season and have six children and eight grandchildren. They are involved in helping raise funds for Parkinson's Association and other charitable organizations.

Following his graduation he worked for three years in Cedar Rapids, IA as a sportscaster for WMT-Radio and TV (now KGAN-TV). While there, he began his play-by-play career doing University of Iowa basketball for two years.

He was named weekend sportscaster at WTCN-TV (now KARE-11) in 1981. After two years, he left to begin his Twins play-by-play career with Spectrum Sports in 1983. He remained there until 1985 while also doing Sports Channel and FS North.

In 2013, Dick was the recipient of the Silver Circle Emmy for Broadcast Excellence and inducted into the Minnesota Museum of Broadcasting Hall of Fame.

Throughout his career, he has also done Minnesota Vikings preseason football, University of Minnesota men's hockey, football and basketball and the Minnesota State High School League's football and girl's and boys' basketball tournaments.

ROY SMALLEY
TWINS TELEVISION, COLOR ANALYST

The 2015 season will be Roy Smalley's 13th season overall in some capacity with the Twins television broadcasts. Smalley played in the major leagues for 13 years, including 10 seasons for the Twins, from 1976-82 and '85-87. He was a part of the Twins first World Championship team in 1987 and named to the AL All-Star team in 1979.

Smalley also played at the major league level with Texas, New York-AL and Chicago-AL. As a Twin, he hit .262 with 1046 hits, 184 doubles, 21 triples, 110 home runs, 485 RBI and 551 runs scored in 1148 games and ranks near the top of many all-time Twins offensive categories. The Los Angeles, California native played collegiality at the University of Southern California and was inducted into the USC Athletic Hall of Fame in 2007 and the College Baseball Hall of Fame in 2013.

Smalley currently makes his home in Edina, Minnesota and is Senior Vice President, Portfolio Manager at Morgan Stanley Wealth Management. TWINS SPRING TRAINING MEDIA POLICIES

SPRING CREDENTIALS

Credentials for accredited news media for Spring Training games are available through an application at <https://credentials.mlb.com>. These will be issued only to daily newspaper reporters who will be covering the club, home and road and to area radio and TV sports reporters and camera crews who will be covering on a regular basis. All other media entities will be credentialed on a per-game basis (including parking) through an application at <https://credentials.mlb.com>.

No fax or email requests will be accepted unless approved by the Baseball Communications department. Transfer of working press credential will result in the termination of coverage privileges for the individuals involved. A photo ID and signature are required for credential pick-up at the VIP Window.

FIELD ACCESS

Allowed during batting practice and other workouts during the early training period, but once the game schedule begins the field must be cleared at the end of visitors' batting practice. All reporters must confine themselves to foul territory between 1st and 3rd base. Workouts begin daily at approximately 9:00 a.m.

DINING ROOM ACCESS

Available only to those media credentialed to cover that day's game, for a \$5 charge. This room will open at 11:30 a.m. for day games (5:30 p.m. for night games) and will close at gametime. Working photographers will be permitted in the press dining room on the same basis as other reporters.

PRESSBOX ACCESS

Permitted only to members of the Baseball Writers' Association of America (BBWAA) and to coverage reporters of area daily newspapers and radio and TV stations. Weekly newspapers can be accommodated only on a space-available basis. Wireless internet is available.

CLUBHOUSE ACCESS

Limited to members of the Baseball Writers' Association of America (BBWAA) and to coverage reporters of area daily newspapers and radio and TV stations. The clubhouse will be open prior to and following workouts during the pre-schedule workout period with certain exceptions. During the game schedule, the clubhouses will be closed at the end of batting practice until five minutes after games. Clubhouse access is limited to the player-locker area and the manager's office. The training room, exercise room and equipment rooms are off-limits to all media. No still cameras are allowed in the clubhouse.

INTERVIEWS

Players will accommodate when possible where on-field interviews are concerned. Any in-studio appearances or appearances on the player's own time must be set up through the Baseball Communications department.

RADIO & TV

Television cameras will be allowed in the clubhouse prior to games and workouts, as well as after games and workouts. Feature material should be filmed on the field during batting practice. Post-game interviews may be conducted on the field or in the clubhouse for both TV and radio.

CAMERA POSITIONS

Several camera positions are available for shooting during the game, but no cameras will be allowed on the field itself. The center field position will be for game television cameras only, as will the low home position, unless cleared through the Baseball Communications department. High and low, first and third base will be credentialed on a space-available basis. Any photographers shooting from the field photo pits will only be allowed to leave or change positions between innings.

PHOTOGRAPHERS

No still photographers will be allowed on the field during the game or in the clubhouse at any time. There are at least four positions from which photographers may shoot during games. On the first day of full squad workouts, photographers will be allowed the freedom of the field during the exercise period, but must stay in foul territory during the actual workout times. On all other days, all media personnel must stay in foul territory and no farther down the lines than first and third base. No photographs are to be taken from the pressbox.

MEDIA DAY

Will be on Tuesday, March 3, beginning at 7:30 a.m., sharp. All photographers and media seeking head shots and digital content are asked to cooperate by doing this on Media Day, when the players will be made available in an assembly line fashion to accommodate all accredited news services.

AUTOGRAPHS

Professional journalists do NOT ask for autographs. Any media members asking for autographs will have their credentials revoked.

TICKETS

May be purchased by coverage personnel out of a block held for this purpose. These tickets are for personal use only and advance notice is recommended to increase chance of availability.

CENTURYLINK SPORTS COMPLEX

The Twins will spend their 25th spring training season in Lee County at the newly renovated CenturyLink Sports Complex in 2015. Spurred by their first year in the state-of-the-art facility, the Twins won the 1991 World Series after enjoying their most successful Spring Training camp in history as they posted a record-high 21 wins. In the 24 years, the Twins have drawn at total of 2,493,002 fans for 373 dates, an average of 6,509 per game (total does not include 17 replacement games in 1995 which drew 49,240 fans).

Located south of the city of Ft. Myers near Interstate 75, the CenturyLink Sports Complex is the spring training home to the Twins and their six minor league affiliates. The centerpiece of the facility is a 9,300-seat stadium in which the major league Twins play their exhibition games and conduct some of their daily workouts. The complex also features five full fields and two half-fields.

On August 3, 2004, the Twins signed an extension with Lee County for use of the complex through 2020, and on November 6, 2012 the Lee County Board of County Commissioners approved a \$42.5 million renovation and a new 30-year lease. Combined with the Twins contribution, raised the total renovations to \$48.5 million. The renovations increased the seating capacity to 9,300 and include a new party deck, expanded gift shop and an outfield boardwalk around the playing field to create a 360-degree walk-around the stadium, similar to Target Field. The plan also renovated previously existing concession stands, restrooms, suites and press box areas.

A signature feature of the renovated facilities is the Twins Player Development Academy which includes a 58-room residence hall for players and staff, dining facilities, recreational spaces, great meeting rooms, educational classrooms and Champions Hall, a 220 seat theater used by players and staff for meetings, conferences and presentations throughout the year. The Academy contains state of the art technology, Wi-Fi throughout and high-tech video systems for player instruction for both major league and minor league players.

In addition to the Player Development Academy, the entire minor league building was renovated including expanded clubhouse with new lockers for players and staff, new 1,800 square foot training room, high tech video facilities, expanded office space and a new game field for the minor league teams.

The major league facility upgrades include new athletic training and strength and conditioning rooms, new lockers for players and staff, dedicated dining room space, state of the art video facilities and complete renovation of all office and meeting rooms.

The CLSC is home to two Twins minor league affiliates, housing both the Ft. Myers Miracle of the Single-A Florida State League and the Rookie Level Gulf Coast League Twins.

CenturyLink® Sports Complex

The main stadium was renamed Bill Hammond Stadium late in the 1994 spring season in honor of the longtime Deputy County Manager who was instrumental in getting the complex approved and bringing the Twins to Lee County.

Major league home and visiting clubhouses are included in the stadium proper, and complete facilities for the minor league teams are contained in a building adjacent to their playing fields. Prior to the start of the 2005 spring training, a 6,000 square foot state-of-the-art fitness training room and conference center was built next to the minor league facility. During the winter of 2007, Lee County and the Twins implemented a variety of improvements to Hammond Stadium, including installation of a grass berm adjacent to right field; installation of a drink rail and party deck behind the grass berm; and installation of two new rows of seats (125 seats in total) at field level between the dugouts. Prior to the start of the 2008 spring schedule, new lights and seats were installed at Hammond Stadium.

The major league club's administrative offices are located in the stadium, with the minor league administrative offices in the building adjacent to its fields.

The facility also features a four-field softball complex and other athletic facilities for use by Lee County organizations and visiting amateur baseball and softball teams, plus an 11-acre water-management lake.

The Twins trained in Orlando, FL, from 1936 through 1990 (with the exception of the war years of 1943, 44 and 45, when they conditioned in College Park, MD) and their minor league clubs moved to Terry Park in Ft. Myers in 1990, after headquartering in Melbourne, FL, from 1964-89. The entire organization was united for the first time in Lee County in 1991.

The Sports Complex, an \$18.2 million undertaking, was completed in February, 1991. Lescher and Mahoney, an architectural and engineering firm based in Tampa, FL, was the lead architect for the project, with design assistance from Ellerbe-Becket of Kansas City, Missouri. Case Contracting Company of Plant City, FL, was the contractor.

CENTURYLINK SPORTS COMPLEX RENOVATIONS

RIGHT: Renovations included a 360 degree boardwalk with group gathering areas, shade trellises, a second berm in LF and several different seating options around the outfield.

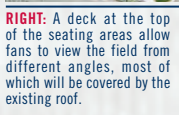

RIGHT: Pre-game gathering spaces outside the gates, additional (and faster) elevators and a grand new entry into the seating bowl from behind home plate are among the features.

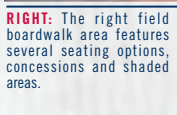

LEFT: The new site plan includes an additional practice field, a player development academy adjacent to the minor league complex and additional parking beyond the softball fields.

LEFT: Wider concourses with shade trellises make it easier to navigate through the Hammond Stadium facilities.

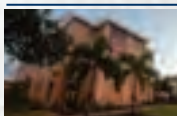

RIGHT: A deck at the top of the seating areas allow fans to view the field from different angles, most of which will be covered by the existing roof.

RIGHT: The right field boardwalk area features several seating options, concessions and shaded areas.

LEFT: A player development academy includes dining facilities and meeting space for 200 players (at left) and staff, plus classrooms and recreation areas to be used throughout the year.

LEFT: The top two floors feature a 55-room dormitory that house minor league players during spring training, the GCL season, rehabilitation assignments and fall instructional league programs.
